

An aerial photograph of the KEK (High Energy Accelerator Research Organization) campus. The image shows a large complex of buildings, mostly with blue and white roofs, surrounded by green fields and some forested areas. A road or railway line runs along the left side of the campus. The text is overlaid in a bold, blue, sans-serif font.

# Open Meeting for SuperKEKB Proto-collaboration

July 3-4, 2008

3-gokan, Seminar Hall  
KEK

# PURPOSE OF THE MEETING

- ⦿ Second open meeting in the series of inauguration meetings.
  - Physics potential
  - Detector design
  - Group formation
  - .....
- ⦿ Why not an inauguration meeting?
  - Hope to keep the door open for people who are interested in the new initiative, but not ready to sign.
  - Funding situation will be clearer in fall 08.
- ⦿ Last one hour is a collaboration meeting.

# HIGHLIGHTS OF THE MEETING

- ◉ Detector study report is ready.
  - This is not a goal, but a baseline to start our discussion from.
  - Finalize the design in one year -> TDR
- ◉ New participants
  - We welcome you all !
  - Old people are also new to the new people. -> Party tonight
- ◉ Progress in the funding status
  - Prof. Suzuki will tell us about his efforts to get an early approval by MEXT.

# KEK Roadmap

2006 | 2008 | 2010 | 2012 | 2014 | 2016 | 2018

- **J-PARC**

- **KEKB**

- **LHC**

- **PF/PF-AR**

- **R&D for Advanced Accelerator and Detector Technology**

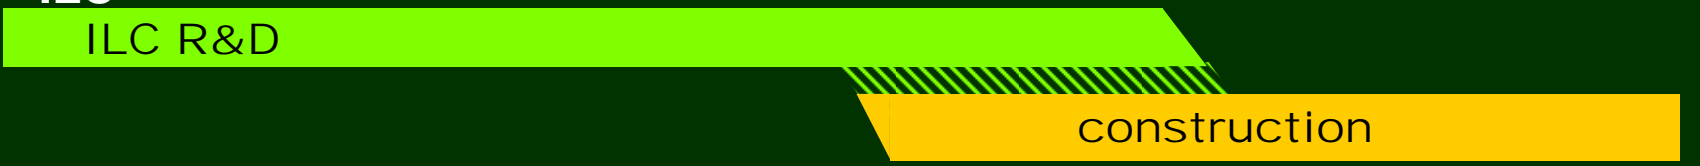

- ERL**

- PF-ERL**

- ILC**

Very Preliminary
